DIV OF OIL GAS & MINING

**RESPONSIBLE PARTY**

Name: Kennecott

Address: 11500 West 2100 South

Phone: (801) 569-6403

**INCIDENT SUMMARY**

Caller reported low temperatures overnight caused a failure of a process water line. A total of 345,000 gallons of process water was released containing an estimated 35 lbs of arsenic. Release occurred to soils on Kennecott property in the area of pump station #4. Pumps were shut down and release secured.
